

## **PSU Foundation Research Request**

**Faculty/Staff Name:**

**Unit/Other (if other please specify):**

**Project Title:**

Please provide a 1-page summary outlining the program or project you are seeking funding for and its impacts. Please address the following; 1) issue your project addresses; 2) why it is important; 3) your proposed examination or intervention of/with; 4) the prospective impact your actions may have; 5) the benefits to the community your action provides. (*Please either attach this summary separately to the email with this completed form and budget*)

When do you anticipate needing funding? (MM/YYYY)

Is this a multiyear project? (Y/N)

What is your total project/program budget? (*Please attach a project budget using the form provided.*)

Please list the anticipated request amount for this project/program.

Does this project/program have any existing/pending funding, or additional resources allocated to it? If yes, please list.

Please list any foundation or corporate funders that you have; 1) initially researched for this project/program (if any); or 2) with whom you have a relationship/are in contact with.

Please email this completed form to [cfr@psuf.org](mailto:cfr@psuf.org) with the budget and abstract/summary attached to the email (if not already included above).

**\*Research requests will typically be returned within 4-6 weeks**
